**Day 1:** Come along as we enjoy the first two days of the “*Nebraska Junk Jaunt*”! Sometimes antiquer’s and garage sale buffs are lovingly referred to as ‘Junkers’, thus the name. It is Nebraska’s largest garage sale, covering more than 220 miles across Central Nebraska. Each of 35 to 40 towns organizes a 3-day yard sale, where most towns have at least one “central set-up” location for vendors. It is 3 days of city-wide garage, yard, and bake sales with “treasures” of just about every type and description. Along the way, in unexpected places, there will also be fun and unique things to see and do. We’ll shop at a relaxed pace, going to as many locations as time permits as we search for the best bargains in town! When you board the bus, we’ll also provide you with a copy of the Nebraska Junk Jaunt Shopper’s Guide which lists the registered vendors in each town. The shopping route is along highways 11, 91, and 2, the beautiful Sandhills Journey Byway and the Loup Rivers Scenic Byway. It begins near Grand Island, with the farthest point at Dunning. A **continental breakfast** of coffee, orange juice, sweet rolls, and bagels will be provided en route. We’ll find lunch and dinner “along the way”. Our hotel is half-way through the route at the Roadside Inn in Thedford. (Our Friday evening dinner will be along the route, before we get to Thedford. Once again, it is part of your trip package.) **B.D.**

**Day 2:** We’ll enjoy a **continental breakfast** at the hotel, and we’re off again to search for more treasures. As we make our way back through the “loop”, we’ll plan to be in York for **dinner** at the ***Chances R Restaurant***. We should return to the Omaha / Council Bluffs area approximately 8:00 P.M. **B.D.**

**Since our “Junk Jaunt” souvenir t-shirts were so well received last year, you will again have the option (for an additional cost) of ordering one from us. You will receive it when you board the bus. More details later on this.**
